Shoe Box

LED Shoe Box Light

Part Number	LOT-ST-90-33	LOT-ST-120-33	LOT-ST-150-33	LOT-ST-180-33	LOT-ST-200-33	LOT-ST-240-33	LOT-ST-300-33
Lumen Output	9,000lm	12,000lm	15,000lm	18,000lm	20,000lm	24,000lm	30,000lm
Wattage	90W	120W	150W	180W	200W	240W	300W
Lumen Efficacy	100lm/W						
CCT	4500~5500K(2500~5500K optional)						
Beam Angle	110*150°						
Input Voltage	100-277Vac 47-63Hz PF 0.95						
IP Rating	IP 65						
LED Driver	Meanwell						
Certification	UL, CE, PSE, SAA, RoHS

LED Technology

The LED ShoeBox Street Light can provide suitable UV-free lighting for parking lots, outdoor courts, streetscapes, walkways, pavements and alleys. The ShoeBox LED Street Light has an integrated sink that is designed to have a better management of the light's heat dissipation. It also has the PCB Module, which provides a switching electronic shunt path to improve the street light's reliability and function. The ShoeBox Led Street Light is certified by several accreditors such as the CE, DLC and ETL. It also has an IP65 rating. The lifespan of this street light is 100,000 hours.
