Square Light

## LED Square Canopy Light

Part Number	LOT-CP-50-32	LOT-CP-75-32	LOT-CP-100-32	LOT-CP-130-32
Lumen Output	6,000lm	9,000lm	12,000lm	15,600lm
Wattage	50W	75W	100W	130W
Lumen Efficacy	120lm/W			
CCT	2700K, 4000K, 5000K, 5700K			
Beam Angle	140°			
Input Voltage	100-277Vac 50-60Hz PF 0.95			
IP Rating	IP 65			
LED Driver	Meanwell			
Certification	UL, CE, PSE, SAA, RoHS			

### Photometric Diagrams

### Detail

### LED Technology

The LED Square Canopy Light can provide consistent, stable bright lights for places like buildings, gas stations, schools, parking lots and garages. This product has a great thermal dissipation, because it has an integrated die-casting forming. This product is also waterproof, as it has received an IP65. This canopy light uses Philips LED chips to ensure bright lights with stable colors.
