Product Description

This Round Top LED Post Light is the perfect contemporary option for retail shopping centers, pedestrian walkways, commercial plazas, university campuses, parks, and city centers. Rated IP65 and with multiple certifications, this strong aluminum fixture is built for the outdoors. The built-in heat sink provides heat management and allows for a long lifespan. The Round Top LED Post Light comes in a range of wattage options and color temperatures. Optional mounts are available such as post top, side mount, and cable suspension. This product comes with a 5-Year Standard Manufacturer Warranty or an optional 10-Year Manufacturer Warranty.
