

Powerful LED Area Flood

LOT-AL-300-30

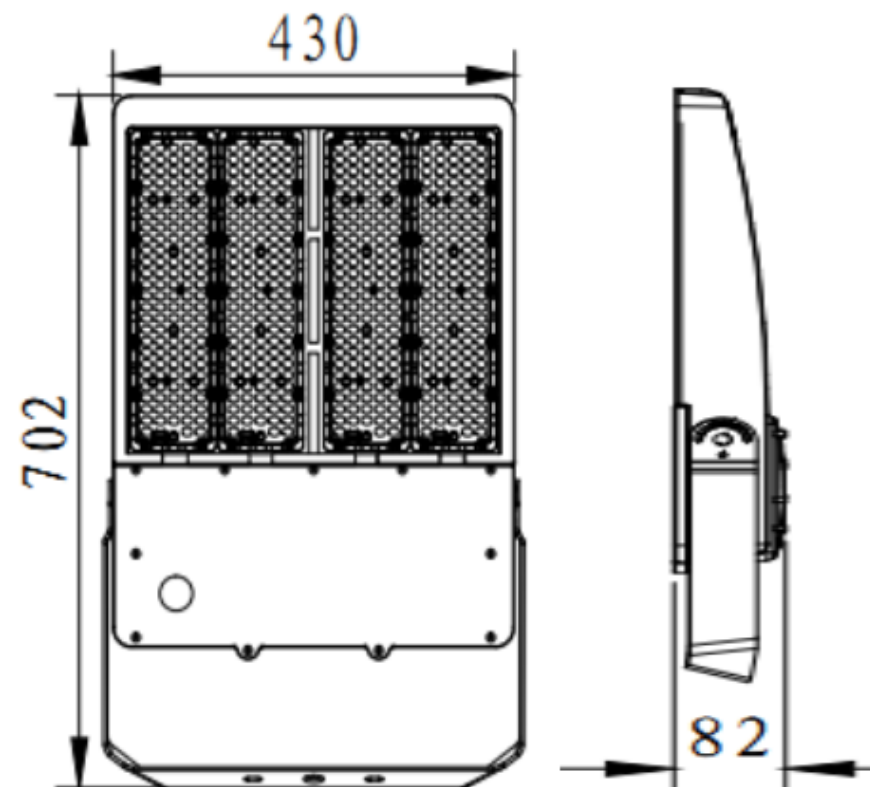

Powerful LED Area Flood

LOT-AL-300-30

Product Number	LOT-AL-300-30
Lumen Output	37500lm - 52000lm
Wattage	300W - 400W
Lumen Efficacy	130-135lm/w
CCT	3000k - 4000k - 5000k
Beam Angle	Type II, Type III, Type IV, 90° 120°
Input Voltage	100-277v 277-480v
IP Rating	IP65
Size	21 1/4x14 5/8 x 2 7/8 inch

Product Description

This Powerful LED Area Flood Light is used to replace halogen style lights in commercial plazas, industrial areas, parking lots, and tennis courts. The aluminum heat sink provides heat management, while the powder coating finish and waterproof design of this fixture make it an excellent choice for durable outdoor area lighting. The LU-MILEDS chip provides stable color consistency with low degradation. The Powerful LED Area Flood Light has several mounting options and is also available with optional features such as motion and daylight sensor controls.
