# LED Round Top Area Light

## LOT-AL-50-33

Product Number	LOT-AL-50-33
Wattage	50W/ 80W/ 100W/ 150W/ 200W/ 240W
Lumen Output	160LM/W±5%
Input Voltage	AC 100-240V 277V~,50/60Hz
Angles	60 <sup>a</sup> / 90 <sup>a</sup> / 120 <sup>a</sup>
Pole Size	60/80 mm
CCT	3000k/4000k/5000k
IP Rating	IP66
Certifications	PSE, UKAS, SAA, CE, RoHS, ETL, DLC

# Product Description

This LED Round Top Area Light is the perfect contemporary option to replace halogen style lights in commercial plazas, retail shopping centers, parks, city centers, and university campuses. The aluminum fixture head resists corrosion and the smooth, curved surface makes it difficult for dust and leaves to collect on the fixture. This product comes with an outdoor-rated LED chip providing stable color consistency as well as a built-in heat sink which provides heat management, allowing for a long lifespan. Waterproof with strong aluminum housing, The LED Round Top Area Light is built for durability with an IP66 outdoor rating. Optional features such as motion and daylight sensor controls are also available.

60° /90° /120° available
