## LED UFO High Bay Light

Part Number	LOT-BAY-100-5	LOT-BAY-120-5	LOT-BAY-150-5	LOT-BAY-200-5	LOT-BAY-240-5
Lumen Output	13,000LM	15,600lm	19,500lm	26,000lm	31,200LM
Wattage	100W	120W	150W	200W	240W
Lumen Efficacy	130lm/W				
CCT	3000K/4000K/5000K/5700K/6000K				
Beam Angle	120°(60° optional)				
Input Voltage	100-277Vac 43-67Hz PF 0.95				
IP Rating	IP 65				
LED Driver	Meanwell				
Certification	UL, CE, PSE, SAA, RoHS				

### Details

### LED Technology

The LED High Bay Light Series features a variety of glare-free and mercury-free flood lights that can serve as lighting for gyms, warehouses, swimming pools and other similar locations. This flood light uses Original Cree-XBD LED Chip to ensure a bright and even lighting, with no color fading. It also includes a built in Mean Well driver. Since this product is a LED light, it is very environmentally-friendly.

- Dimmable version with Microwave sensor optional .
- Dimmable with DALI optional .
- Several optics available for different applications .
- Multiple Installations .
- Instant on/off .
