Product Description

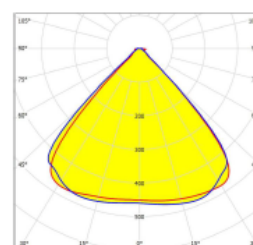

This Canopy Light is an LED Light fixture useful in areas with canopies and breezeways such as shopping areas, gas stations, university campuses, and multi-level garages. The durable, waterproof exterior is IP66 rated. Designed for durability, this Canopy Light is IES, DLC, and ETL Certified. It comes in a variety of angle options, color options, and multiple wattages ranging from 100W-500W.

Product Number	LOT-CP-100-1/LOT-CP-150-1/LOT-CP-200-1/LOT-CP-500-1
Lumen Output	13500lm - 20250lm - 27000lm - 67500lm
Wattage	100W - 150W - 200W - 500W
Lumen Efficacy	135lm/w
CCT	2,700 - 6,500k
Beam Angle	60x60° 90x90° 144x62°
Input Voltage	100-277V, 220-480V
IP Rating	IP66
Water Proof	IP66
Certifications	IES, DLC, ETL

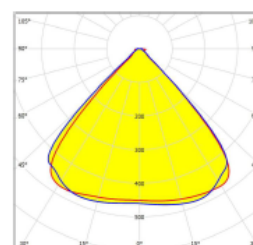

Light output:

Lamp type	LED	CCT	4000K
Nominal lamp power	150W	CRI	70
Lamp flux	20790lm	LOR	100%
Luminous efficacy	135 lm/W	Total power	154W
Average Beam Angle(50%)	62.5 DEG		

Lamp type	LED	CCT	5700K
Nominal lamp power	200W	CRI	70
Lamp flux	28140lm	LOR	100%
Luminous efficacy	140 lm/W	Total power	201W
Average Beam Angle(50%)	88.8 DEG		

Lamp type	LED	CCT	6000K
Nominal lamp power	500W	CRI	80
Lamp flux	69639lm	LOR	100%
Luminous efficacy	139 lm/W	Total power	501W
Average Beam Angle(50%)	88.9 DEG
