LED Canopy Light

## LED Canopy Light Style C

Part Number	LOT-CP-100-82	LOT-CP-150-82	LOT-CP-200-82
Lumen Output	12,500LM	18,750LM	25,000LM
Wattage	100W	150W	200W
Lumen Efficiency	125 lm/W		
CCT	2200 - 8000 K		
Beam Angle	45° / 60° / 90° / 120°		
Input Voltage	90-277Vac 50/60Hz PF 0.90		
IP Rating	IP 65		
LED Driver	Meanwell		
Certification	UL, CE, PSE, SAA, RoHS		

### Details

### LED Technology

The LED Canopy Light C Series is especially designed to provide safe and bright LED lighting to gas stations, garages, plazas, gymnasiums and a variety of other similar locations. This canopy light comes with a simplified design that prioritizes the product's stability and durability. This product has an excellent air flow management with its heat sink design, so it has topnotch heat management. This product also allows tool-less access to the down-opening driver door so it has easy maintenance and operation.
