

LED G24 Bulb

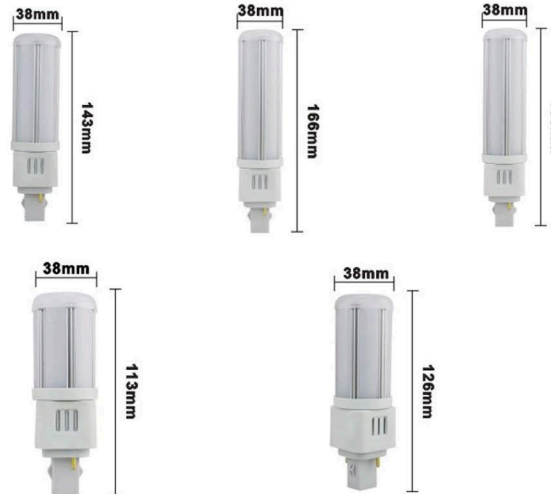

G24 Bulb LED Corn Light

G24 Bulb LED Corn Light

Part Number	LOT-CR-5-2	LOT-CR-7-2	LOT-CR-9-2	LOT-CR-13-2	LOT-CR-15-2
Lumen Output	500-550lm	700-770lm	900-990lm	1,300-1,430lm	1,500-1,650lm
Wattage	5W	7W	9W	13W	15W
Lumen Efficacy	115lm/W				
CCT	2500-6500K				
Beam Angle	120°(90° optional)				
Input Voltage	85-265Vac 50-60Hz PF 0.9				
IP Rating	IP 20				
LED Driver	Meanwell				
Certification	UL, CE, PSE, SAA, RoHS

LED Technology

The G24 LED bulb is widely used in lobby spaces where bulbs are required. This G24 includes an integrated LED driver that is rated for 50,000 hours. They are great for commercial/residential spaces. They go great in lobbies, surfaced mounted lamps, architectural fixtures and more. They are, durable, and very easy to install. The main purpose of this fixture is to swap out your old incandescent lights that you may currently have on your fixtures with this LED bulb without having to install a whole new fixture.
