## LED Parking Lot Light

Part Number	LOT-FL-10-12	LOT-FL-18-12	LOT-FL-30-12	LOT-FL-50-12	LOT-FL-80-12	LOT-FL-100-12	LOT-FL-120-12
Lumen Output	6,900lm	12,420lm	20,700lm	34,500lm	55,200lm	69,000lm	75,900lm
Wattage	10W	18W	30W	50W	80W	100W	110W
Lumen Efficacy	113-121lm/W						
CCT	4000~5000K						
Beam Angle	120°(90° optional)						
Input Voltage	100-277/347/480Vac 50-60Hz						
IP Rating	IP 65						
LED Driver	Meanwell						
Certification	UL, CE, PSE, SAA, RoHS						

### Detail

### LED Technology

This LED Flood Light can provide the perfect mercury-free lighting to large areas, building facades, and wide landscapes. This product comes with a high pressure die casted housing and anti-static powder finish. It is also designed to be thermally conductive and energy saving. This flood light ensures bright and uniform UV-free lighting. It also has an IP65 rating.
