LED Flood Light

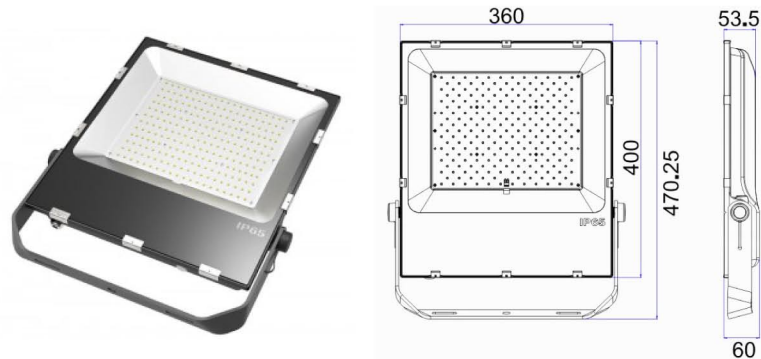

## LED Modern Flood Light

Part Number	LOT-FL-80-8	LOT-FL-100-8	LOT-FL-150-8	LOT-FL-200-8
Lumen Output	9000lm	11000lm	16000lm	21000lm
Wattage	80W	100W	150W	200W
Lumen Efficacy	120lm/W			
CCT	2600 - 8000K			
Beam Angle	Beam Angle:140°			
Input Voltage	90-277Vac 47-63Hz PF 0.98			
IP Rating	IP 65			
LED Driver	Meanwell			
Certification	UL, CE, PSE, SAA, RoHS			

### LED Technology

The LED Modern Flood Light Series features a variety of glare-free and mercury-free flood lights that can serve as lighting for gyms, swimming pools and other similar locations. This flood light uses philips led chips to ensure a bright and even lighting, with no color fading. It also includes a built in Mean Well driver. Since this product is a LED light, it is very environmentally-friendly.
