LED Linear Box Light-Thin

LOT-LL-25-11/LOT-LL-40-11

LOT-LL-50-11

Product Number	LOT-LL-25-11/LOT-LL-40-11/LOT-LL-50-11
Lumen Output	3,250 - 5,200 - 6,500
Wattage	25W - 40W - 50W
Lumen Efficacy	130lm/w
CCT	3000K - 4000K - 5000K
Dimensions	23 4/8" x 46 5/8" x 4 6/8" x 2"
Input Voltage	UNV = Universal 120-277 VAC HV = 347 VAC & 480 VAC
IP Rating	No Rating
LED Driver	Class II driver, with 0-10V or triac dimming
Certification	UL, DLC, FCC, ISO

Only 2inch in height!

Product Description

The LED Linear Box Light - Thin is an excellent option for restaurants, hotel corridors, school hallways, offices, public buildings and commercial businesses. It is available in a variety of wattages and designed to be surface or pendant mounted with cable, chain, or stem kits. This linear fixture provides an instant-on, even wash of light with a wide angle and glare reduction. Finished with a high-quality enamel, this light yields excellent reflection while the high quality LED chips maintain efficiency, heat dissipation, stability, and lumen output. The product contains a built-in surge protector and class II driver with 0-10V or Triac dimming and a lifetime of 50,000 hours. Optional features such as dimming options and interchangeable color options are also available.
