LOT-LL-60-14

Product Number	LOT-LL-40-14/LOT-LL-50-14/LOT-LL-60-14
Lumen Output	5,000 - 6,250 - 7,200
Wattage	40W - 50W - 60W
Lumen Efficacy	125lm/w
CCT	3000K - 4000K - 5000K
Dimensions	46 7/8" - 8 2/8" - 91 1/8" - 2 6/8"
Input Voltage	UNV = Universal 120-277 VAC HV = 347 VAC & 480 VAC
IP Rating	No Rating
LED Driver	Class II driver, with 0-10V or triac dimming
Certification	UL, DLC, FCC, ISO

Product Description

The LED Curved Office Light is an excellent option for offices, commercial businesses, public buildings, hotels, restaurants, hospitals and garages and hallway lighting. This ceiling fixture is designed to be surface mounted yet can also be suspended as a pendant by cables. Available in a variety of wattages, this light provides an instant-on, even wash of light with a wide angle and glare reduction. Finished with a high-quality enamel, this light yields excellent reflection while the high quality LED chips maintain efficiency, heat dissipation, stability, and lumen output. The product contains a built-in surge protector and class II driver with 0-10V or Triac dimming and a lifetime of 50,000 hours. Optional features such as dimming options and interchangeable color options are also available.
