# Product Description

The Suspended LED Box Light is a fantastic lighting option for offices, commercial businesses, public buildings, hotels, restaurants, and various other properties. This product provides an instant-on, even wash of light with a wide angle and glare reduction, and can also be surface mounted or recessed. Finished with a high-quality enamel, this light yields excellent reflection while the high quality LED chips maintain efficiency, heat dissipation, stability, and lumen output. The product contains a built-in surge protector and class II driver with 0-10V or Triac dimming and a lifetime of 50,000 hours. Optional features such as dimming options and interchangeable color options are also available.
