

Troffer

LED Troffer Light

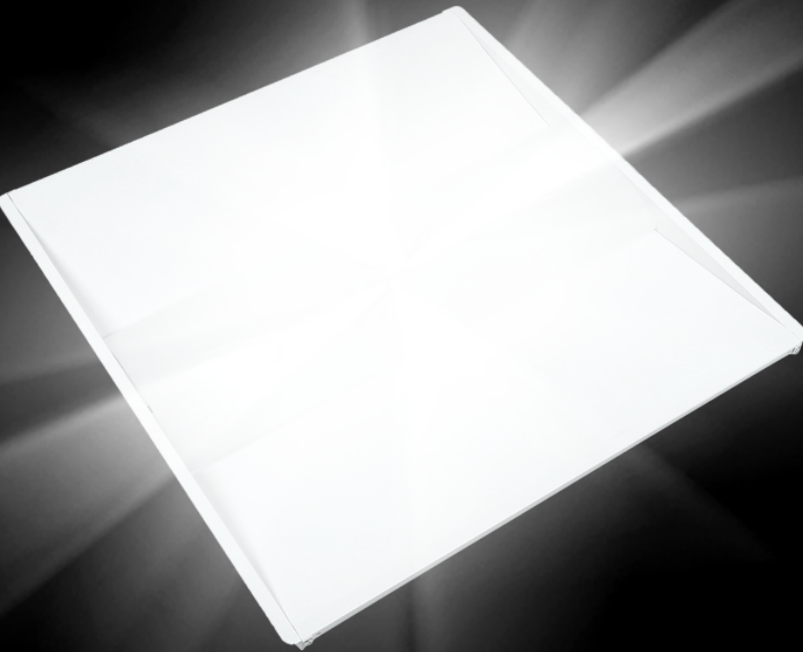

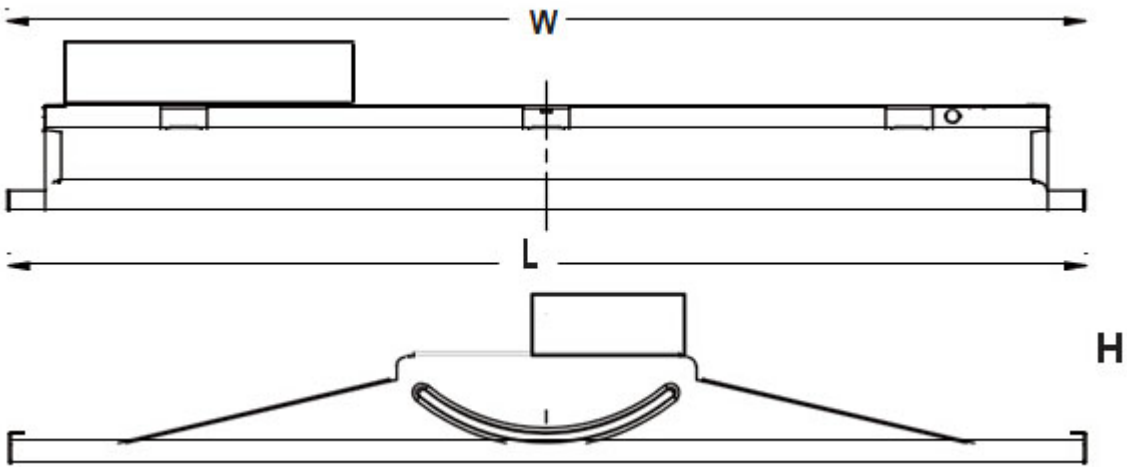

LED Troffer Light

Part Number	LOT-PL-25W-14	LOT-PL-36W-14	LOT-PL-42W-14	LOT-PL-50W-14
Lumen Output	4,230lm	5,440lm	7,800lm	12,600lm
Wattage	25W	36W	42W	50W
Lumen Efficacy	141lm/W			
CCT	4000~5000K			

Beam Angle	150°
Input Voltage	100-277Vac
IP Rating	IP 65
LED Driver	Meanwell

Certification	UL, CE, PSE, SAA, RoHS

Details

LED Technology

This LED Troffer Light can produce LED lighting for décor, personalized and commercialized use. This LED light is dimmable, so you can adjust the lighting to your preference. This product has 135lm/W, so it would be able to provide a bright and uniform lighting. This product is highly-efficient, as it can consume 35% less energy than normal fluorescent lighting. This product is also created with aluminum material so it has a high durability.
