Product Description

This Direct Burial Decorative Pole is a hurricane rated, traditional style light pole. Made in the USA of durable .125in thick aluminum alloy, this pole has a shaft size of 4 inches, comes with a decorative base and is finished in a thermo-cured, electrostatically applied, polyester powder-coat. This beautiful pole is designed for direct burial, comes in various heights, and may be smooth or fluted to suit your property's desired aesthetic.
