# Product Description

The LED Walkway Light – White is an excellent way to add style to outdoor patios, gardens, decks, and walkways. Designed for outdoor use, this walkway light is rated IP67 and made of die-cast aluminum with tempered glass. A stainless steel cover gives this walkway light a sleek, con-temporary look and a protective plas-tic shell protects the light under the ground surface. Available in multiple angle options and color temperatures, this waterproof LED Walkway light is a perfect addition to your outdoor area.
