LED Street Light

## LED Street Light

Part Number	LOT-ST-100-141	LOT-ST-120-141	LOT-ST-150-141	LOT-ST-200-141	LOT-ST-240-141	LOT-ST-300-141
Lumen Output	13,000lm	15,600lm	19,500lm	26,000lm	31,200lm	39,000lm
Wattage	100W	120W	150W	200W	240W	300W
Lumen Efficacy	130lm/W					
CCT	4000~5700K					
Beam Angle	70°/135°/90°/80°/150°					
Input Voltage	100-277Vac / 277-480Vac					
IP Rating	IP 65					
LED Driver	Meanwell					
Certification	UL, CE, PSE, SAA, RoHS					

### Details

### LED Technology

This LED Street Light can be used to provide LED lighting to locations such as parking lots, garages, gardens, plazas and similar areas. This product comes with different beam angles, so you can set it to provide the best lighting that you prefer. This product comes with a NICHIA LED chip, so it provides bright and consistent lighting. This product also comes with an ORIGINAL TYCO Day Light Sensor. This product will be able to produce a consistently bright lighting with its 130lm/W.
