LED Area Light GAMA-T

Part Number	LOT-AL-30-2	LOT-AL-60-2	LOT-AL-90-2	LOT-AL-120-2	LOT-AL-150-2	LOT-AL-180-2	LOT-AL-210-2	LOT-AL-240-2	LOT-AL-270-2	LOT-AL-300-2
Lumen Output	3,960lm	7,680lm	11,500lm	15,125lm	18,875lm	22,750lm	26,375lm	30,000lm	34,710lm	38,480lm
Wattage	30W	60W	90W	120W	150W	180W	210W	240W	270W	300W
Lumen Efficacy	120-160lm/W									
CCT	3000,4000,5000,5700K									
Beam Angle	10°,25°,40°,60°,90°,120°,150°									
Input Voltage	100-277Vac 50-60Hz PF 0.95									
IP Rating	IP 65									
LED Driver	Meanwell									
Certification	UL, CE, PSE, SAA, RoHS									

Details

LED Technology

The LED Area Light GAMA-T, is a great quality light, best used in commercial spaces, such as parking lots, airports, dealerships, highways, and much more. It has a smart dimming capability, which is caused by a motion sensor incorporated into the light, and also glare free. This light is also UL, cUL, and CE listed, and uses Philips Lumileds chip. It is operated easily, low maintenance and high performance.
