## LED RGB DMX Strip Light

LOT-STP-3-5/LOT-STP-6-5

LOT-STP-12-5

Product Number	LOT-STP-3-5/LOT-STP-6-5/LOT-AL-12-5
Lumen Output	55lm - 125lm - 265lm
Wattage	3W - 6W - 12W
Lumen Efficacy	>0.9
CCT	RGB
Beam Angle	140°
Input Voltage	DC12Vt
IP Rating	IP65
Interface	SPI, DMX512
Dimensions	304mmx30mmx45mm(3W) 604mmx30mmx45mm(6W) 1200mmx30mmx45mm(12W)

## Product Description

The LED RGB DMX Strip Light is a surface mounted linear strip light with superior color performance. An excellent way to add color changing lights to buildings, this product contains a Nichia RGB chip ensuring smooth, vivid colors with a 140 degree angle. Manufactured with durable aluminum in a silver finish, this led strip light is rated with an IP65 protection level. LED technology is mercury free, containing no hazardous materials and pollutants.
