## LED Wall Pack

Part Number	LOT-WP-20-19	LOT-WP-30-19	LOT-WP-50-19	LOT-WP-80-19	LOT-WP-120-19
Lumen Output	2100 lm	3200 lm	5,800 lm	8,900 lm	13,440lm
Wattage	20W	30W	50W	80W	120W
Lumen Efficacy	110 lm/w	110 lm/w	110 lm/w	110 lm/w	110 lm/w
CCT	5000K as standard, 3000K, 4000K, 5500K as option.				
Beam Angle	120°(90° optional)				
Input Voltage	100-277Vac 50/60Hz PF 0.92				
IP Rating	IP 65				
LED Driver	Meanwell				
Certification	UL, CE, PSE, SAA, RoHS				

### Light Distribution

### Details

### LED Technology

The LED Wall Pack Series can provide safe, bright LED lighting to locations such as houses, parks, shopping malls, courtyards and stores. This wall pack light has a high pressure die cast aluminum housing to ensure its durability. It also has a powder coat finish that has anti-static properties. This product has a quick and easy installation and maintenance. It also has several mounting options that are available. This product has a high efficient heat dissipation system for longer lifespan. A motion sensor for this product is available upon request.
